

# Society for the History of Psychology

**APA Division 26  
Convention Program  
Orlando August 2-5, 2012**

Dear Society Members and Friends,

This year's annual convention is nearly upon us, and SHP's divisional program will feature an exceptional set of sessions. We are particularly fortunate to have John Burnham to give the Wallace A. Russell Lecture and Jill Morawski to give the Mary Whiton Calkins Lecture. We have two outstanding "Living History" sessions, with Don Dewsbury interviewing Karl Pribram and Alexandra Rutherford interviewing Rhoda Unger and Ethel Tobach. "Best Article" in History of Psychology winner Paul Croce will give an address, and there will be an address by David Leary. New Fellows Addresses will be given by Kurt Salzinger and Edward Morris. There will be many other fine presentations, including outstanding work by young scholars as well as symposia on the new digital history and innovative teaching of the history of psychology.

Also scheduled are two social events for the SHP. Friday there will be a social hour along with Division 24 at 6-6:50 pm in the Plaza International Ballroom F of the Peabody Orlando Hotel. Saturday's social hour, held in conjunction with Division 1, will be take place 5-6:50 pm in Celebration Room 6 of the Peabody Orlando Hotel. These events are open both to current members of the division and to non-members who are interested in the division's activities. The Peabody Orlando Hotel is across the street from the convention center and accessible by a pedestrian bridge.

If you have not yet registered for the convention, we encourage you to do so now. When you register, please consider designating Division 26 as your "primary" division. It is important for future allocation of convention hours that we have as many people as possible registered at Orlando.

Our paper sessions and symposia will be held in the West Concourse of the Convention Center (see the map at [http://www.occc.net/pdf/Map\\_OCCCparking.pdf](http://www.occc.net/pdf/Map_OCCCparking.pdf)). The Peabody Hotel, Rosen Centre Hotel, and Rosen Plaza Hotel are the closest hotels to the West Concourse, but many moderately priced hotels options are located within walking distance of the site.

We wish to thank program committee members Robin Cautin and Joshua Clegg for their valuable assistance in arranging this year's SHP program, as well as all of those who are contributing presentations on their excellent work.

As always, those who are not members of Division 26 are encouraged to join. Benefits of membership include a subscription to the journal *History of Psychology*, access to the members-only section of the division's web site, and the opportunity for participation in its active listserv. Teachers of the history of psychology course will find these tools especially valuable in their teaching, and discounted membership rates are available to students. For more information see:

<http://historyofpsych.org/membership/join.html>

If you have questions about membership issues or the 2012 SHP program, please don't hesitate to contact us directly ([awinston@uoguelph.ca](mailto:awinston@uoguelph.ca) or [ldsmith@maine.edu](mailto:ldsmith@maine.edu)).

We look forward to seeing you in Orlando!

Best Regards,

Andrew

Andrew S. Winston  
President, SHP
